

Nina Kowalski

Java Developer

nina.kowalski@example.com | (555) 019-0019 | Warsaw, Poland

PROFESSIONAL SUMMARY

Java developer with 3 years building REST services on Spring Boot with PostgreSQL and JUnit-driven tests. Comfortable containerizing applications with Docker, though event-driven streaming with Kafka is still an area I am actively learning.

CORE SKILLS

Java • Spring Boot • PostgreSQL • Docker

SQL • JUnit • Hibernate

PROFESSIONAL EXPERIENCE

Java Developer • Wawel Systems

2023-07 — Present

EDUCATION

B.S. in Computer Science, University of Warsaw

CERTIFICATIONS

None
