

Ryan Clark

Junior Frontend Developer

ryan.clark@example.com | (555) 026-0026 | Columbus, OH

PROFESSIONAL SUMMARY

Junior frontend developer with 2 years of experience building Angular-based internal tools. I write typed components, consume RxJS observables, and build responsive HTML5 & CSS layouts, and I am still growing into a test-first mindset for my code.

CORE SKILLS

Angular • TypeScript • RxJS • HTML5 & CSS

JavaScript • Bootstrap • REST APIs • Git

PROFESSIONAL EXPERIENCE

Junior Frontend Developer • Brightline Solutions

2024-07 — Present

EDUCATION

B.S. in Web Development, Ohio State University

CERTIFICATIONS

None
