

Maya Kapoor

Computer Vision Engineer

maya.kapoor@example.com | (555) 087-0087 | Bengaluru, India

PROFESSIONAL SUMMARY

Computer vision engineer with 4 years of experience training deep learning models in PyTorch and TensorFlow for classification and segmentation. Solid on deep learning and image processing fundamentals, with exposure to Docker-based deployment and growing production vision experience.

CORE SKILLS

Python • PyTorch • Deep Learning • Image Processing

TensorFlow • Docker

PROFESSIONAL EXPERIENCE

Software Engineer • DataScape Technologies

2022-07 — 2024-03

Computer Vision Engineer • PixelForge AI

2024-04 — Present

EDUCATION

B.Tech. in Electronics and Communication, Indian Institute of Technology Madras

CERTIFICATIONS

TensorFlow Developer Certificate
