

Daniel Kim

Junior Frontend Developer

daniel.kim@example.com | (555) 028-0028 | Toronto, ON

PROFESSIONAL SUMMARY

Junior frontend developer with 2 years of experience building customer-facing Vue.js interfaces. I write typed components in TypeScript, manage state with Pinia, and style responsive HTML5 & CSS using Tailwind, and I am working toward adding automated tests to my workflow.

CORE SKILLS

Vue.js • TypeScript • Pinia / Vuex • HTML5 & CSS

JavaScript • Tailwind CSS • REST APIs • Git
