

Nia Edwards

Application Security Analyst

nia.edwards@example.com | (555) 060-0060 | Portland, OR

PROFESSIONAL SUMMARY

Application security analyst with 3 years of experience mixing a web development background with OWASP Top 10-based secure code review and manual testing. Solid on threat modeling and web technologies, but SAST and DAST tooling is not something I have operated yet.

CORE SKILLS

OWASP Top 10 • Threat Modeling • Secure Code Review • Web Technologies
Python • CI/CD Security • Burp Suite • JavaScript

PROFESSIONAL EXPERIENCE

Junior Web Developer • Pixel Foundry
2023-05 — 2024-08

Application Security Analyst • Pixel Foundry
2024-09 — Present

EDUCATION

B.S. in Software Engineering, Oregon State University

CERTIFICATIONS

CompTIA Security+
