

Wei Liu

Senior Computer Vision Engineer

wei.liu@example.com | (555) 086-0086 | Shanghai, China

PROFESSIONAL SUMMARY

Senior computer vision engineer with 6 years of experience designing detection, segmentation, and classification models in PyTorch and TensorFlow. Deep expertise in OpenCV-based image processing pipelines and deep learning training, with containerized model serving via Docker.

CORE SKILLS

Python • PyTorch • OpenCV • Deep Learning

Image Processing • TensorFlow • Docker

PROFESSIONAL EXPERIENCE

Computer Vision Engineer • Sightline Robotics

2020-09 — 2023-04

Senior Computer Vision Engineer • Aurora Vision Systems

2023-05 — Present

EDUCATION

Ph.D. in Computer Science, Shanghai Jiao Tong University

CERTIFICATIONS

NVIDIA Deep Learning Institute - Computer Vision Fundamentals
