

Andrés Villanueva

ML Engineer

andres.villanueva.sample@example.com | (555) 402-7730 | San Diego, CA

PROFESSIONAL SUMMARY

Machine learning engineer with 6 years of experience training and serving LLMs and transformer models in production. Built RAG systems on vector databases and cut inference latency 45% with optimized serving.

CORE SKILLS

Python • PyTorch • TensorFlow • LLM
RAG • LangChain • Vector DB • MLOps
Docker • AWS

PROFESSIONAL EXPERIENCE

ML Engineer • VectorMind AI
2020-08 — Present

Data Scientist • Helix Analytics
2017-09 — 2020-07

EDUCATION

M.S. Machine Learning, Georgia Institute of Technology

CERTIFICATIONS

—
